## Brushcutters range

A180

## Attila 180

### The all terrain mower

Attila 180 Revolutionary ride-on for safe mowing on banks and uneven terrain.

Unique in its concept: automatic self-levelling keeps the operator, engine and controls upright, while the floating cutting decks follow uneven terrain contours. **Safe on slopes up to 50%.**

**The floating cutting decks follow the lay of the terrain.**

### PERFORMANCE

The exclusive self-levelling system on ETESIA's attila 180 keeps the operator, engine and controls in a perfectly vertical position even when working on slopes up to 27°. The 1.8 m cutting deck is made up of two centrally articulated sections. To guarantee flawless cutting, the wheels read the contours of the ground enabling the floating cutting decks to follow the lay of the terrain: flat ground, slopes, hillocks, gullies, top and bottom of banks. Rear ejection onto the cut surface ensures greater safety.

### COMFORT

Powered by a 30hp Yanmar water-cooled 3 cylinder diesel engine, Attila A180 has hydrostatic drive, power steering and hydraulic drive to the cutting units. Attila 180 meets all the standards in force for excellent operator safety.

### ROBUSTNESS

With its powerful 30hp Yanmar diesel engine and hydrostatic drive is the Attila A180 specially designed for large sites : motorway banks, industrial estates, reservoir banks and other uneven terrain.

### Technical specifications :

<b>Model</b> (l x w x h)**	<b>attila 180</b> (269x188x233)
<b>Cutting width</b>	180 cm - 71 inch
<b>Engine</b>	Yanmar 3T NE 82A
<b>Horse power</b>	30 HP - 22,1 kW
<b>Speed</b>	Forward: 0 to 13 km/h Reverse: 0 to 11 km/h
<b>Theoretical output (*)</b>	23 400 m <sup>2</sup> /h
<b>Weight</b>	1 080 kg

(\*) According to the mowing conditions (maximum mowing calculation x cutting width = theoretical output)

(\*\*) l = Length, w = width h = height (in cm)

### The + products :

- Work on extreme slopes
- Auto-adjustment to the lay of the terrain
- Floating cutting deck
- Powerful 30 HP diesel engine
- Outstanding performance
